Spay/Neuter Assistance Agreement

I/We the undersigned agree to the terms and conditions contained in this Assistance Agreement. I/We are the legal owner of the property listed below and/or have received full and irrevocable consent from the property owner to the following:

Allow the Fairchild Foundation to provide assistance in spaying/neutering of the cat(s) that are currently residing on the listed property. This assistance involves humane trapping the cat(s) on the property and transporting the cat(s) to a Fairchild Foundation designated Veterinarian and may be done by the property owner/tenant or a Fairchild Foundation Volunteer.

From such time that a cat(s) enters the humane trap or pet carrier, is handed over to a Fairchild Foundation Volunteer, or is turned over by the property owner/tenant to a Veterinarian designated by the Fairchild Foundation:

The Fairchild Foundation shall without recourse become the temporary legal guardian of the cat(s). It is understood that after examination/testing by the Veterinarian if the cat(s) should be diagnosed with such an illness that the animal poses a threat to public health, or safety to the local animal population and/or is terminally ill, the Veterinarian is automatically empowered to euthanize the animal.

Upon return of the cat(s) to the property owner/tenant, the property owner/tenant agrees that he/she is the legal owner of the cat(s) and assumes full responsibility for the care of the cat(s) throughout its life. The property owner/tenant agrees to abide and act in accordance with all laws and regulations as set forth by local municipalities and the Commonwealth of Pennsylvania.
